

# LIKE A WOMAN IN POMONA

Two ways or more ways  
Wherever you are  
Many good questions  
But answers are rare  
You need some help in every way  
Start reading eyes day by day  
I played my game I played my role  
She took my words, my body my soul

(Ain't got) No lady, no girl  
**LIKE A WOMAN IN POMONA**  
No lady, no girl  
**LIKE A WOMAN IN POMONA**

My life was a lake  
With sharks inside  
(I was) Hurt by jaws  
But I never cried  
Ev'ryday I did the best I can  
I felt no fear, I never ran  
I played my game I played my role  
She took my words, my body my soul

Now I act like a woman  
I love just like a woman  
I do the thing I want to do like a woman  
And I dress, I dress my friend, like a woman  
I'm a man, they say, I'm a man, they say, I'm a man, they say  
I'm a man, they say, but I dress like a woman  
But I'm not, I'm not, I'm not  
But I'm not, I'm not, free me, free me, free me, free me
