

tellrock: stagerider 2025 / 2026

A photograph of a TAMA drum kit set up in a room with a rustic stone wall and a wooden floor. The kit includes a bass drum with a white head and the TAMA logo, three tom-toms, two crash cymbals, and one ride cymbal. A red TAMA-branded container is visible behind the drums. A microphone is positioned in front of the bass drum. The lighting is warm, highlighting the textures of the stone and wood.
